Dresden – Wettiner Platz

## **HOTEL INDIGO® DRESDEN – WETTINER PLATZ**

Welcome to the neighbourhood powered by art and creativity.

The characterful streets of our neighbourhood thrum with activity: up-and-coming artists potter away in studios, students trawl through piles of textbooks in trendy cafes, and, after dark, live jazz and blues is performed in dimly-lit bars and cozy galleries. Indeed, our neighbourhood is a hub of contemporary culture, much of which centres around Kraftwerk Mitte, an arts centre located a stone's throw from Hotel Indigo® Dresden – Wettiner Platz.
